

This letter indicates our free, prior, and informed consent to the submission of the “Documents of the Poruborá Language Project” to the UNESCO’s Best Practices List. Spoken by a few number of individuals, the Proruborá language, ancestral language of the Poruborá People, its one of the most endangered Brazilian indigenous languages. All of us, the Poruborá People, are interest in having the knowledge of ours ancestors well documented and safeguarded. The participation in the UNESCO’s safeguarding programme will be an important step for the Poruborá community. We also authorize the use of the pictures of the developing stages of the “Documents of the Poruborá Language Project” for public divulgation.
