

LEADHER

IAU HELPING HIGHER EDUCATION LEADERS MEET THE CHALLENGES OF TODAY

Committed to be of service to its more than 600 Institutional Members, the International Association of Universities (IAU) initiated a programme in support of professional development of the next generation of higher education leaders as they prepare to meet the multiple and complex pressures of today. Making the best possible use of the Association's dynamic and diverse global membership, the **Leadership Development for Higher Education Reform (LEADHER)** Programme connects professionals in higher education institutions working to improve the match between societal demands and what higher education institutions offer.

LEADHER: A COLLABORATIVE PROFESSIONAL DEVELOPMENT EXPERIENCE

The LEADHER Programme creates opportunities for learning partnerships and collaboration among IAU Member Institutions and taps into the wealth of diverse institutional reform experience around the world.

LEADHER IN A FEW WORDS....

- **GRANTS** offered on a competitive basis
- **INTERNATIONAL PARTNERSHIP PROJECTS** involving senior HEI representatives
- Professional development through **LEARNING VISITS**
