

4) WEBLIOGRAPHY

- An **INQAAHE international analytic glossary** of issues related to quality in higher education, prepared for the International Network of Quality Assurance Agencies in Higher Education (INQAAHE) and the EAIR Special Interest Group on Quality (November 2004–December 2006).

<http://www.qualityresearchinternational.com/glossary/>

- The **Council for Higher Education Accreditation (CHEA)** document presenting **six steps that can be used to combat degree mills**. The steps describe actions that may be useful to the major actors, whether higher education institutions, accreditation or the public. They constitute a framework within which the actors can work.

<http://www.chea.org/staging/degremills/Mills-Effective-2-Feb-2007.pdf>

- **UNESCO/OECD Guidelines for Quality Provision in Cross-border Higher Education**. Voluntary and non-binding, these Guidelines address recommendations to six stakeholders: governments, higher education institutions/providers, student bodies, academic recognition bodies, and professional bodies.

- **EUA policy position** on quality.

http://www.eua.be/fileadmin/user_upload/files/EUA1_documents/EUA_policy_position_quality.pdf

- **AUCC's** "Quality assurance at Canadian universities" website.

http://www.aucc.ca/qa/index_e.html

- **Commonwealth of Learning (COL)'s** micro site on quality assurance and accreditation in distance education.

<http://www.col.org/colweb/site/pid/4225>

- **AAU's** Quality assurance support programme for African Higher Education.

<http://www.aau.org/qa/index.htm>

- **Australian Universities Quality Agencies** for the Australian Department of Education, Science and Training's report *Enhancement of Quality Assurance Systems in Higher Education in APEC Member Economies*

http://www.apec.org/apec/publications/all_publications/human_resources_development.html

- **ENQA** Occasional Papers 3: 'Quality Assurance Implications of New Forms of Higher Education, Part 1: A Typology' by Robin Middlehurst, University of Surrey, United Kingdom.

<http://www.enqa.eu/files/newforms.pdf>

- The **Department of Education, Science and Training of Australia's** website in order to inform on the developments of the Brisbane Communiqué Initiative. This initiative - launched at the first Asia-Pacific Education Ministers' Meeting that took place in Brisbane, April 2006 - aims at reinforcing regional cooperation on recognition and quality of education and training.
