Intergovernmental Foundation for Educational, Scientific and Cultural Cooperation of the CIS Member-States

INTERNATIONAL ROUND TABLE

“Problems and Prospects of Arts Education in the Context of Contemporary Culture”

Venue: K.D. Ushinsky Scientific Pedagogical Library of the Russian Academy of Education at Bolshoi Tolmachevsky lane, 3, Moscow

Date: 25 March, 2014
Time: 11:30 – 15:00

Issues for discussion:

- The role of arts education in the enculturation of the younger generation and building creative capacities;
- The enhancement of the role of partnership of the CIS countries in the field of arts education in order to preserve cultural diversity and national cultural priorities;
- Promotion of research activities, based on the national strategies of the development of arts education with consideration of international cooperation;
- Promotion of the UNESCO approaches to arts education and education through arts, in particular with due regard to the final document of the UNESCO’s 2nd World Conference on Arts Education “Seoul Agenda: Goals for the Development of Arts Education” (2010);
- Strengthening of partnership for the development of the bilingual information resource “Observatory of Arts Education in the CIS countries”.

The Programme of the Round Table includes:

- Launching of the information resource “Observatory of Arts Education in the CIS countries”: http://ae.cis.iite.unesco.org/observatory;

The National coordinators of the CIS countries and the representatives of institutions of arts education from different parts of Russia and abroad are welcome for the online-participation. Skype: gnpbu.ru.

The materials of the Round Table are expected to be published.

If you are interested, please contact the organizing committee via email: ihoraodirect@mail.ru, web-observatory-cis@mail.ru.

Curators of the Round Table: Dr. Alekseeva Larisa, EdD, Deputy Director of the Institute of Arts Education of the Russian Academy of Education; Dr. Olesina Elena Petrovna, Candidate of Pedagogic Sciences, Chief of the Laboratory of Integration of the Institute of Arts Education of the Russian Academy of Education.
