Item 8 of the provisional agenda

Presentation by Director CI/KSD on key activities for the 36C/5

and related decisions by the General Conference

SUMMARY

This item provides insights into the strategic and operational activities approved by the 36th session of UNESCO's General Conference in document 36C/5 for activities that the Organization will be undertaking with a view towards, "Fostering information and communication capacities for universal access to knowledge to bridge the digital divide". It therefore serves as a key area for supporting the development of synergies between the work of IFAP and the Secretariat.
