

Proposals of amendments of Ukraine

Our proposals are:

To preamble:

Taking into account, how vulnerable museums are in times of crisis and how endangered are museum collections in complex emergencies.

To chapter III, Primary functions of museums, - Preservation:

17. After words

‘analysis of risks and development of emergency plans’

to add:

preparedness activities and first aid response strategies.

To chapter IV. Policies:

Member states should take all appropriate measures to strengthen museum capacities for protecting cultural heritage during complex emergencies.
