**Invitation to the Side Event**

**Ocean Acidification: Understanding the Threats, and Reducing the Impacts**

**Date:** 6 December 2014  
**Time:** 13:00-14:30  
**Venue:** EU Pavilion

**Organizers**  
SCBD, IOC-UNESCO, IUCN, OA-ICC of IAEA, PML, UKOA

This side event will review the links of ocean acidification to climate change; its consequences for marine organisms, ecosystems and human society; and the policy responses that can be developed to reduce its impacts with opportunity for discussion of the latest research in these areas.

---

**Programme**

**Moderator**  
Keith Alverson (UNEP)

**Panellists**  
Phillip Williamson (UKOA)  
Carol Turley (PML)  
Dorothée Herr (IUCN)  
David Osborn (IAEA)  
Cesar Toro (IOC-UNESCO)

Followed by an open discussion.
