CURRENT THINKING ON PEACE EDUCATION

2ND UNESCO FORUM ON GLOBAL CITIZENSHIP EDUCATION

TONY JENKINS
DIRECTOR, PEACE EDUCATION INITIATIVE
THE UNIVERSITY OF TOLEDO
**Peace education** prepares and nurtures learners with the knowledge, skills, capacities and attitudes necessary to confront and end violence (war) and injustice and promote a culture of peace.

- It is education that prepares people to think about and plan for alternatives – to change the future from the present.

- It is education both about and for peace.

**Definitions**

**Emergent Thinking**

1. Comprehensive in scope
2. Ethically grounded
3. Holistic and interconnected
4. Transformative in nature
COMPREHENSIVE PEACE EDUCATION

Goals of the Campaign:

1. To build public awareness and political support for the introduction of peace education into all spheres of education, including non-formal education, in all schools throughout the world.

2. To promote the education of all teachers to teach for peace.

- violence is systemic and interconnected;
- requiring a systemic educational response
- comprehensive peace education is lifelong, occurring in all spheres of learning
- mainstreaming peace education is an essential challenge
- all education is peace education
ETHICALLY GROUNDED

“...peace is the wholeness created by right relationships with oneself, other persons, other cultures, other life, Earth, and the larger whole of which all are a part.”

(The Earth Charter, 2000).
