Global Citizenship Education: giving people the skills to understand the world we live in

An NGO perspective
Global Citizenship Education

Justice
Democratic Participation
Curiosity
Diversity
Empathy
Solidarity (local, national, global)

Formal
QUALITY EDUCATION

Non-Formal
FROM YOUTH TO PRIVATE COMPANIES

Informal
LOCAL COMMUNITIES

Human Rights
Development Education
Global Learning
Sustainable Development

Global Education
Education for Global Development

Overlapping Content
Transformation
Societal Methodology of Global Orientation
Pursuit of Personal Transformation

CONCORD
development awareness raising & education
DEEEEP
We need to act together!

• Start thinking how **universality** will work in practice;

• New allies; Multistakeholder (MSH); Networks

• Teaching -> Learning (Monitoring).
Thank you!
