

**Tell Your Local Teachers
ACS and NASA LIVE Webcast of
IYC Global Water Experiment**

WHO: NASA, ACS, your local schools

WHAT: A live webcast with classroom interfacing with ACS and NASA scientists who will conduct one of the IYC global water experiments and discuss water purification **on Earth and in space.**

WHEN: Thursday, September 22, 2011, from 12:00 pm–1:00 pm Central Time

WHERE: From the Johnson Space Center into teachers' classrooms **nationwide.**

HOW: Log in to <http://dln.nasa.gov> on the day of the webcast

For maximum impact, **do the water purification experiment before the webcast, then compare results and ask questions during the webinar.**

IYC Global Water Experiment!

**Four simple experiments for students,
teachers, and Chemistry Ambassadors!**

Pass the word to schools, scouts, and others in your
community and offer to help in what's expected to
be the largest chemistry experiment in history!

**Demos: ACS Theater,
Denver Convention Center**

- Monday, August 29 at 3:00 & 3:30 pm
- Tuesday, August 30 at 11:30 am & 1:00 pm
